

Ossipee Lake Natural Area Working Group

**Meeting Agenda
27 February 2009**

Long-term Objective

Help the Division of Forests and Lands finalize the Ossipee Lake Natural Area Management Plan, and identify processes and resources to implement the plan.

Meeting Objectives

- 1) Update rule and bathroom issues
- 2) Outline a water quality monitoring and assessment plan
- 3) Discuss natural resource monitoring, non-motorized boat access, fencing, and beach clean-up
- 4) Outline a communication plan

Attendees

Ossipee Lake Natural Area Working Group members.
